CONSERVATION WALKS

You are welcome to walk along the grass margins shown on the map which link with existing public footpaths to provide an enjoyable circular route. These permissive paths have been provided by the land owner with funding from the Countryside Stewardship Scheme which aims to encourage wildlife back into the local environment.

Please ensure dogs are kept under control at all times.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2012.

For more information contact DEFRA: 020 7238 5909 (Office hours).
